

Florida law requires identification, proof of date of birth, proof of residential address, and proof of social security number (if issued, Chapter 322, Florida Statutes, requires the Department see proof of social security number for the issuance of driver license and identification cards) from all customers before a driver license or identification card can be issued. The name assigned to the social security number must match the name that will appear on the Florida driver license or identification card. If you have recently changed your name, update your records with the Social Security Administration before you apply for your license or identification card.

Each U.S. citizen who applies for an original driver license or identification card must submit:
